Race Tactics

Do you find yourself on the start line wondering whether you should be at the other end of the line? Or perhaps you never make it to the start line because you don't think you know enough about racing?

Come along to our race tactics evening where Paul will share some of his knowledge and experience to help us understand how to make the best of the start sequence, how to use the position of your boat to best effect during the race and, if you make a mistake, what you need to do about it.

Patrol Boat Refresher

How long ago was it since you qualified as a PB helm? We can all benefit from a refresher session. Paul will suggest some on-the-water scenarios for us to consider how we would intervene before sharing best practice for these situations. Come and join us at the club at 7:30pm on Friday 8th May to brush up both your racing and your PB skills. The bar will be open!
