

IMPORTANT GALLEY NEWS

As an experiment, for at least the next 6 months,
the galley will now be open on the

1st Sunday of each month only

**We ask that you book your place by the
preceding Wednesday**

**There will be some “on the day” availability but
bookings will take priority**

The menu will be as below to minimise food wastage and to

If successful we will aim to open the galley on a more frequent basis
