

The Andrew Simpson Foundation and Portsmouth Sail Training Trust work to improve the lives of disadvantaged young people in Portsmouth by engaging them in sail training and developing essential life skills.

Volunteering with the Andrew Simpson Foundation is both inspirational and rewarding. Seemingly very small things can make an enormous difference to the lives of the young people we work with.

We run weekly 3hr sailing sessions during term times – both in school hours and after school and are looking for volunteers to help get these young people on the water.

You need not necessarily be an RYA Instructor – we just need competent sailors with a desire to help develop young people. Through regular volunteering there may be opportunities for funded RYA Instructor Courses.

You will be fully supported with training given. We also cover all reasonable travel expenses.
